

## OSO RFP Q & A

1. Due to the 15-page limit for the narrative, would it be acceptable to omit repeating the full questions within the proposal narrative and instead respond using the corresponding question numbers/headings only?

**RESPONSE:** Candidates may respond, admitting or omitting items as they deem appropriate to meet the RFP requirements.

2. The RFP notes that the OSO will “facilitate the Welcome Function” and provide staffing for it. Can you please clarify whether the Welcome Function staff are expected to be included within the \$100,000 OSO budget?

**RESPONSE:** The OSO will provide oversight for the Welcome Function. FWCA will provide the staff. Therefore the staff is not included within the \$100,000 budget.

3. Can you please confirm the total budget for this contract? Page 4 references one amount, 100,000, while the budget attachment lists \$225,000. Which amount is correct?

**RESPONSE:** The total budget for the contract is \$100,000.
